Welcome to my new wiki
Wiki's

A wiki is a computer web page that has information all about you.
Wiki`s

A wiki has one middle section and up to 6 other sections.
You can add videos, photos and sounds to your wiki.
You can show people important information about you.

your story, successes, hopes and dreams
You will have your own password for your wiki.
Only people who help you will be able to see your wiki.
You can see a wiki on a computer, laptop, iPad or smart phone.

You will need to be connected to the Internet to see and change things on a wiki.
